Yukon Independent Review Panel Invites Yukoners to Share Their Views on Education

Whitehorse, Yukon | September 22, 2026 – The Yukon Independent Review Panel is inviting Yukoners to share their experiences, perspectives, and ideas as part of Phase 2 of its review of Yukon's education system.

During this phase of the review, the Panel is meeting with Yukon First Nations, education partners, and other interested individuals and organizations. Yukoners are also encouraged to participate in a confidential online survey.

The Panel wants to hear from people across the territory about their experiences with the Department of Education, K–12 education, trades and future skills, and ideas for improving outcomes for Yukon learners.

The survey takes approximately 10 minutes to complete and will remain open until **October 12, 2026**.

Feedback gathered through meetings and the survey will help inform the Panel's recommendations to the Department of Education on ways to strengthen education and improve outcomes for learners across Yukon.

The survey and the Panel's July status report are available at **YEIR.ca**.

Everyone with an interest in the future of education in Yukon is encouraged to participate.
